

# COVID-19

We want to examine the experiences of the COVID-19 pandemic for people with and without disabilities

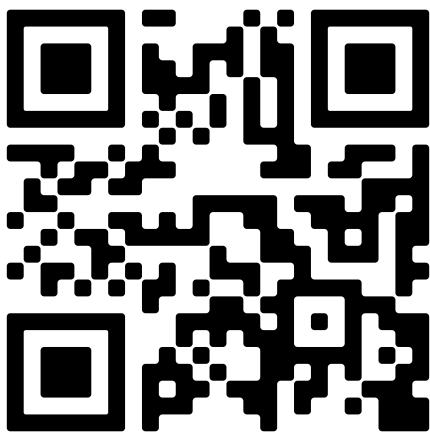

*To Participate in this research, you must be 18 years old or older*

You will be asked about the COVID-19 pandemic and its effect on aspects of your daily life, employment status, and stress and well-being

If you are interested in helping out, please take 15-20 minutes to complete the survey below:

<https://tinyurl.com/MSU-COVID>

← Or scan this QR Code to access the survey
